

## INSTRUCTIONS

This PDF file contains all the commission rates along with the Shipping fees for both Dropshipping and JumiaExpress. To get the charges pertaining to your specific item, use the search/find feature on your computer or mobiledevice.

1. Press **ctrl+f** to open the search box
2. Type in the common/generic name of your product (eg. blender)
3. Scroll through the different results to pinpoint the one that **matches the category path for your product** (eg. Grocery | Household Supplies | Household Cleaners & Sundries )
4. Use the corresponding Commission & Shipping Fees (Dropshipping or Jumia Express) to calculate your final price.

**NOTE:** A product may appear several times in different category trees or paths. Make sure you use the category name to identify the exact one that applies to your product. Check from your vendor center product details to confirm.
